## **Spancrete Launches Online Design & Engineering Handbook**

**Waukesha, Wis.** (October 15, 2007) – The Spancrete Group, Inc., long recognized as the leader in the precast/prestressed concrete industry, recently launched a new Design & Engineering Handbook. The Handbook features product load tables, downloadable details in pdf and dwg formats, product specifications, Spancrete Research Notes and Span Notes. Also available for the first time is the *Spancrete Load Table Calculator*. Input your design criteria and the calculator will guide you through the process of selecting the appropriate Spancrete products. Simply register for the new Handbook under RESOURCES and have immediate access to up-to-date design materials from Spancrete.

### **About The Spancrete Group, Inc.**

Headquartered in Waukesha, Wis., The Spancrete Group, Inc. is a leading provider of architectural and structural precast concrete products to the Midwest construction industry. A third-generation, family-owned company, Spancrete is an industry pioneer, committed to being the most responsive partner and innovative provider of precast products and solutions. The company operates four precast concrete plants in Wisconsin and Illinois, Spancrete Machinery Corporation in Waukesha, and American Concrete Pipe Company in Green Bay and Milwaukee. The company recently announced the purchase of Florida Precast Industries, Inc., a manufacturer of Spancrete products serving the precast construction needs of central and southern Fla. All Spancrete facilities are PCI certified and supply precast concrete products to the entire Midwest region.
